

International Wire Transfer Agreement

We will not be liable to you if we do not act upon or delay acting upon any wire transfer if any of the following circumstances occur:

- Legal Order
- Emergency situation
- Equipment failure
- Interruption of communication
- Potential violation of any government regulation
- War
- Other circumstances beyond our control

If you provide us the name and account number of the individual you wish to receive the funds, we and other financial institutions may process the wire transfer based on the account number alone, even if the account number identifies a person other than the person you name. If you provide the names and numbers of the receiving financial institution and any intermediary financial institution, we and other financial institutions may process the wire transfer based on the financial institutions identifying number alone, even if the number identifies a financial institution other than the one you name. If the correct person does not receive payment, you are still obligated to pay us the amount of your wire transfer order.

If we receive your wire transfer order after our cutoff time we will process your order on the next business day. We reserve the right to reject wire transfer orders without liability to you and without obligation to pay interest for the period before you receive your notification. If we reject your wire transfer order we will notify you verbally or in writing.

Once we have received your wire transfer order you have no right to cancel or change it. We may make reasonable effort to accommodate your request but we are not liable to you for failure to make changes or cancel the order. You agree to pay us any costs or losses we incur in our attempt to change or cancel your wire transfer order.

If you are requesting a wire transfer to be sent outside of the United States, you understand you do so at your own risk. The Credit Union will not be liable for any reason if the funds are not received or are misapplied during the wire transfer process. The Credit Union will not be liable for consequential damages in the event that loss is sustained because it has failed to carry out instructions in a reasonable manner.
